

The Wellness Way
We don't guess...we test!

Alcedonia

Alcedonia supports many different functions throughout the body. It contains Vitamins B-6 and B-12 that work together to help control homocysteine levels in the body supporting a healthy immune system. Within the proprietary support blend is GABA, known for its calming properties.

Alcedonia has been developed and perfected to have a number of benefits such as:

- Helping support emotional stability
- Supports proper sleep function
- Calming effect to the nervous system
- Supports neurotransmitter production
- Supports hormone ability
- Supports inhibiting Peripheral Nervous System
- Supports Central Nervous System
- Aides amino acid building blocks
