

# CALIFORNIA POPPY

California Poppy is both the state flower of California as well as a prominent source of a collection of alkaloids and glycosides. Those key components are supportive of our body's ability to heal and repair by promoting restful sleep and easing nervous agitation. This flower's properties have been shown to reduce aches and pains, bedwetting, and blood pressure. California Poppy may also be used topically.

California Poppy contains alkaloids, flavonoids and other compounds that work together to help:

- Support the body's ability to cope with normal environmental stressors
- Enhance the ability to relax during night
- Ease the discomfort caused by exercise related aches and pains
- Supports bone maintenance and development

- Prevents constipation and other digestive issues
- Enhance brain function
- Assists in red blood cell production

Manufactured in a GMP certified facility.  
Manufactured in the USA. Certified Kosher.

## SUPPLEMENT FACTS

Serving Size: 2.5mL

Servings Per Container: Approx. 71
