

The Wellness Way

We don't guess...we test!

Chamomile

Chamomile contains a-bisabolol and chamazulene, flavonoids, and coumarins among many other constituents. Chamomile has been used for thousands of years as traditional medicine and is best known to calm anxiety and settle stomachs. Other uses include gastrointestinal tract inflammation, easing spasm of digestive tissue, and protection against ulcers. Chamomile can be used topically to promote wound healing.

These phytochemicals in Chamomile help to:

- Reduce gas buildup in the intestines
- Encourage relaxation and support a healthy nervous system response

- Support normal intestinal motility
- Support the integrity of the intestinal mucosa
- Support healthy digestion and appetite
- Stimulates the body's normal tissue restoration function

Manufactured in a GMP certified facility.
Manufactured in USA. Certified Kosher.
