

MILK THISTLE

Milk Thistle is a natural herb with powerful antioxidant and anti-inflammatory properties. It is able to promote healthy digestive function by helping with enzyme formation, increasing bile production, decreasing inflammation and soothing the mucous membranes throughout the body.

Milk Thistle contains flavanolignans (collectively known as silymarin), flavonoids and other compounds.

The phytochemicals in Milk Thistle, particularly the flavanolignans, work together to:

- Provide antioxidant activity
- Support healthy liver function and tissue integrity
- Protect liver tissue by supporting normal cellular defenses

- Support normal bile secretion
- Support healthy skin
- Encourage healthy protein synthesis
- Promote normal response to environmental stresses
- Enhance healthy bowel function
- Aid in the elimination of toxins from the liver

Manufactured in a GMP certified facility.
Manufactured in the USA. Certified Kosher.

SUPPLEMENT FACTS

Serving Size: 2.5mL

Servings Per Container: Approx. 71

	Amount Per Serving	% Daily Value
Calories 10		
Organic Milk Thistle (Silybum marianum) 1:2 extract from 1.25 g Seed	2.5mL	**

**Daily Value Not Established.

Other Ingredients: Pure Alcohol (65-75% by volume),
