

OREGANO OIL

Oregano herb is best known as a flavorful ingredient in Italian food, but its oil has incredibly potent antimicrobial activity. This plant-served oil is powerful and may rival antibiotics when it comes to addressing a variety of infections.

Containing carvacrol, thymol, and rosmarinic acid, Oregano Oil has shown activity against a broad spectrum of infectious bacteria as well as yeast overgrowth.

The Wellness Way Oregano Oil is highly potent and should be taken only as advised by a Wellness Way practitioner.

Oregano Oil contains compounds that together can:

- Aid symptoms of respiratory ailments
- Reduce inflammation
- Prevent infection
- Provided broad spectrum antimicrobial activity
- Promote intestinal flora balance
- Strong antioxidant activity
- Prevent viral infections

Manufactured in a GMP certified facility.
Manufactured in the USA. Certified Kosher.
