

PASSIONFLOWER

Passionflower is a perennial climbing vine that is typically grown in Europe, but is native to the southeastern parts of the Americas. The parts of the plant above the ground are used in different forms to support body function, health and healing.

Passionflower contains compounds that help to:

- Reduce insomnia
- Decrease inflammation in the body
- Decrease anxiety
- Aid healing in skin irritations and burns
- Reduce symptoms of menopause, including hot flashes & depression
- Reduce symptoms of ADHD
- Improve blood pressure
- Helps reduce insulin levels

Manufactured in a GMP certified facility.

Manufactured in the USA. Certified Kosher.
