

UVA URSI

The Uva Ursi plant has the common name Bearberry, or Bear's Grape, and its leaves contain a complex mixture of flavonoids, glycosides, polyphenols, and other compounds. It has been historically used to encourage healthy urinary tract function due to its anti-bacterial and anti-inflammatory properties.

Uva Ursi has also been used in a variety of digestive conditions involving diarrhea, constipation, and imbalances of the normal flora.

Some properties include use as an astringent, diuretic, and antiseptic. The benefits of Uva Ursi are different for each individual, based on the needs of their system. Some benefits include:

- Urinary tract health
- Bladder inflammation
- Digestive imbalance
- Cardiovascular support
- Topical wound healing

Manufactured in a GMP certified facility.
Manufactured in the USA. Certified Kosher.
